THIS IS a complete listing of all current and discontinued games and their parts listed in group classifications. Parts which are shaded do not come with the game, but are variants and/or accessories to the game. Discontinued games and parts are listed on the last pages of this booklet.

Complete AVALON HILL & VICTORY GAMES are available wherever good games are sold. Please check with your favorite games store before ordering direct.

HOW TO ORDER: Using the enclosed postage-paid Order Envelope, list the specific item(s) and price(s) in the spaces provided. If you are ordering an entire game, ignore the costs of the parts. If you do not have an Order Envelope, a blank piece of paper will suffice. In each case, please add up your order for a total cost figure. (Please: no questions should be written on orders to be processed.) All orders are subject to final sale. No merchandise can be shipped on a C.O.D. basis, so you must pay in one of the following ways:

- CREDIT CARD:** give us your credit card number, expiration date, and name of the cardholder, for **AMERICAN EXPRESS, MASTERCARD, or VISA.** No other credit cards are accepted. The order envelope provides spaces for you to write in this information.*
- TOLL FREE PHONE: Normal Operating Hours: M-F 8:30 AM-5:00 PM; Sat. 10:00 AM-2:00 PM (EST).** The Avalon Hill Game Company will accept charges against the above three credit cards on a phone-in order. This call is **FREE.** Call: 1-800-638-9292, Operator #1. This **TOLL FREE** number is provided for your **credit card purchases only.*** We are sorry, but our operators cannot supply you with other information. There is a \$7.50 minimum for phone orders.
- CHECK OR MONEY ORDER:** USA residents: please send us a check or money order for the total amount plus 10% postage. For example, if your total order comes to \$6.25, your postage would be \$.63, so your payment would be \$6.88 total. See postage charges printed elsewhere on this form for foreign postage costs. Do not send cash money; we cannot be responsible for loss of cash in transit. Please retain your canceled check or money order stub until your order has been received.

FILL OUT ORDER ENVELOPE: Be sure to include your name and shipping address, including apartment number and zip code in all appropriate places. Use an indelible ball-point pen.

HOW WE SHIP: We normally ship within 4-7 days of receipt of your order, however this will vary depending upon the time and season of the year. United Parcel Service (UPS) will be used whenever possible, so be sure someone is home to sign for your package, otherwise request your order by Parcel Post (PP). Third Class Mail is used on all packages less than one pound. APO, FPO, and P.O. Box Addresses will be sent by Parcel Post. If you should have a preference for one method of shipment, please state this on your order. Be sure to add proper postage charges shown on the Postage Chart to your payment (such charges are added automatically to credit card purchases).

HOW TO COMPUTE SHIPPING:

See the last page of this booklet.

The Wargamer's MAGAZINE

Every bi-monthly issue is jammed full of articles on Avalon Hill games. Written by the AH staff or wargaming experts and enthusiasts, articles range from historical tie-ins and background events to strategy and tactics. Each issue usually has a **SERIES REPLAY**, a move by move recreation of a game between two expert players. There are also new product announcements, product reviews, and a contest that gives away over \$150 of merchandise each issue. In recent issues, there have been professional variants to certain games with special inserts

containing new maps or counters. Finally, there is also a postage coupon in every issue, good for helping to pay the cost of a mail order.

No real hobby member can afford to be without a subscription to **THE GENERAL**. But if you're still not convinced, order a sample issue first (see current Parts List for cost). One look should be enough.

The nature of game publishing dictates that we prepare advertising literature (such as consumer ads and new product releases) many, many months in advance of scheduled release dates. Occasionally we aren't able to complete a new game by that advertised release date. Unforeseen design and production problems dictate a choice: rush into production anyhow, or hold off until the problems are corrected. We always choose the latter. We have been in business for more than 25 years and intend staying in business selling only the highest quality products. If you still have doubts, simply hold off ordering. If you order anyhow, please understand your doing so releases us from the Federal guidelines covering mail-order delays.
